Re: EPA/Ecology Memorandum of Agreement (MOA) for Colbert Landfill

Dear Neil:

I am still reviewing the draft MOA we received at our meeting at EPA on October 23, 1989. I have also received your updated version via the Fax machine. I am comparing the draft Colbert Landfill MOA to the Tacoma Landfill MOA. Jeff Myers of the Attorney General's office is also reviewing and comparing the two. We will send you a redrafted version fairly soon.

I just wanted to let you and Cindy Mackey know where Ecology is with our review of the draft MOA. I will also be sending you our comments of the second draft of the Colbert QAPjP next week. Have you drafted a response letter yet for our review? As always, my number is (206)438-3043.

Sincerely,

Mike Blum
